Dear Ms. Biedenbender,

I am writing you in regards to our discussions this week about the Phase II of the West Patagonia water development project. This letter is a confirmation that Arizona Game and Fish Department will commit up to \$5,000 of hunter donation funding toward this project upon approval of you HPC grant application. This money will be available for use on this project immediately after approval of the HPC grant. I am excited about this project and look forward to working with you to benefit wildlife habitat on your ranch. If you have any questions please don't hesitate to contact me at the address above or call me at 623-236-7624.

Sincerely,

Al Eiden
